

2008 ACTA USA 1-2-3 Tennis Lesson Program

“Proudly serving the Algonquin area’s tennis needs for over eight years”

- ⇒ Select your class and fill out the sheet listed below. Mail with a payment and membership form to address. To obtain a membership form go to www.algtennis.org The cost of a family membership is \$10 annually and can be included in the same check. Note: all grades are for the 2008-09 school year.
- ⇒ **We are announcing two rain dates tentatively scheduled for day classes on Monday July 21 and Tuesday July 22. Thursday evening will be used as make-ups for night classes. We felt this would be best to let you know ahead of time in order to change or anticipate scheduling conflicts. Because of court resurfacing this could change.**
- ⇒ These lessons are designed to have between 3-5 student per instructor ratio. Players are grouped on court by *ability* not age. Class sizes will vary depending on enrollment. We will keep siblings together to offer the easiest possible transportation. For example if you have a pee-wee and grade school child they may attend the PW-4 class at same time. However, grade school students will be put on separate courts.
- ⇒ **Some people may be switched to a different class or time to accommodate the overall program.** If you do not hear from us you have been added and you only need to show up on the first day of lessons.
- ⇒ All registrations are final upon payment and attendance. Refunds will not be granted for missing lessons. Our staffing is based off of enrollment numbers. However, all attempts will be made to make up a missed lesson if mentioned ahead of time. When canceling with at least one week prior notice we will honor a full refund.
- ⇒ We are offering a \$5.00 per child credit enrolled to all families who have multiple adult/children in lessons.
- ⇒ **Currently all classes are to be tentatively held at CL South. Lessons site may change based on court resurfacing. Options for relocating are LITH Sunset Park and Jacobs High School.**

	Class #	Days	Time	Cost	Dates	Location
